

## Covid 19 UPDATE

January 2021

Please note that due to the current situation with the Covid virus we are still manufacturing and processing orders however we have made some changes to make sure we keep all of our staff safe.

These changes may mean that it takes us slightly longer to process your order and so we would be grateful if you could allow up to 14 days for us to despatch your order.

We will endeavour to turn the orders round as fast as is possible and should you have any concerns regarding despatch times please email us at:- [sales@switchtowood.co.uk](mailto:sales@switchtowood.co.uk)

Many thanks for your understanding in these testing times.

Take care, many thanks from the Switch to Wood team.
