1 and 2 Gang switches fit on a single 25mm knockout box, 3 and 4 gang fit on a twin 25mm knockout box

Additional modules: Intermediate toggle, Retractive toggle and 20Amp Double Pole toggles - these toggle switches can be used as a direct replacement for the standard 10Amp 2 way toggle switch so you are able to mix and match to suit your project. Please call the sales team for more information.
