

The Bakelite Collection

A wide selection of traditional, heritage style dolly switches. Made using classic Bakelite materials designed by us to compliment the style and feel of the original. Both the Linden and Rosen collections are available in Brown and White.

The Bakelite Collection - Manufactured in Bakelite in both brown and white in the Linden and Rosen styles. These conform to BS60669-1 and will recapture the original Bakelite look and feel, giving you the authentic heritage design coupled with modern safety standards.

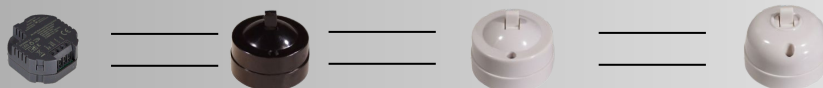

Bakelite Dimming Switch

Use our push to make switch in conjunction with our dimming pack to dim your incandescent, halogen or LED lighting. Call our sales team for information.

Bakelite Push to Make Link Switches

Should you have a requirement for an intermediate switch, use our push to make switches with our dimming pack to link your switches together, enabling them to dim or just turn on and off.
